

THE ALASKA
TRAINING
COOPERATIVE

Distance Delivered Continuing Education Credit Training Opportunities Available 2018-2019

Traditional Health Based Practices (THBP) *8 Continuing Education Credits*

Trainees are provided with foundational information on traditional lifestyles and health practices of people living in Alaska prior to western contact. They will be introduced to beliefs, attitudes, and knowledge of health promotion and maintenance that were practiced, and will examine major changes leading to the current health status of the Alaska Native community. Special emphasis will be placed on potential strategies for improving behaviorally based health.

APPROVALS:

- Alaska Board of Professional Counselors: 8.00 (counts as face-to-face)
- Alaska Commission for Behavioral Health Certification (ACBHC): 8.00
- Alaska Board of Social Work Examiners: 8.00
(Specialization: Cross Cultural: Alaska Native Specific)
- Community Health Aide Program Certification Board (CHAPCB): 8.00
