

Head Injury ECHO

Every other Wednesday beginning February 20 from 12 - 1:00 pm

Join us to learn about...

Brain Rest After Injury

Substance Abuse and Head Injury

Mental Health and Mild TBI

Neuro-ophthalmology

Interdisciplinary Approaches to Treatment

Sleep Hygiene and Head Injury

Cognition and Returning to Life

Peer Support Resources

ECHO uses technology (i.e., multipoint videoconferencing and internet) to deliver didactic presentations and case-based learning to primary care teams across the state.

Advance your practice without ever leaving your office

Register at <http://bit.ly/AlaskaECHO>

How does it work?

- Meet online for 60 minute sessions
- Discuss complex cases in your practice for real-time advice from experts
- Learn evidenced-based practices
- Earn Free CMEs
- Improve patient outcomes
