

THE ALASKA  
TRAINING  
COOPERATIVE

**The Alaska Training Cooperative presents: Youth Mental Health First Aid**

**Description:** Youth Mental Health First Aid USA is an 8-hour public education program, intended for adults, which introduces participants to the unique risk factors and warning signs of mental health problems in adolescents, builds understanding of the importance of early intervention, and teaches individuals how to help an adolescent in crisis or experiencing a mental health challenge. Mental Health First Aid uses role-playing and simulations to demonstrate how to assess a mental health crisis; select interventions and provide initial help; and connect young people to professional, peer, social, and self-help care.

This training offers 8 nursing contact hours and is jointly provided by the Alaska Nurses Association and Alaska Training Cooperative. The Alaska Nurses Association is an approved provider of continuing nursing education by the Montana Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

**NEW:** One professional development credit is available through UAA PACE for an additional 7 hours of independent study and submission of 6 papers. Contact Wendi Shackelford below for more information.
