

COLORADO ASSOCIATION
FOR INFANT MENTAL HEALTH

No Small Matter- The Movie

Through poignant stories and surprising humor, the film lays out the overwhelming evidence for the importance of the first five years, and reveals how our failure to act on that evidence has resulted in an everyday crisis for American families, and a slow-motion catastrophe for the country.

Following the screening, there will be a group discussion.

Presented by

The Colorado Association for
Infant Mental Health
&
Parents to Parents
